Motion to approve May18, 2015 minutes by Tom Santelli,Seconded by Ed Gust. All in favor.Motion to accept May 26, 2015 minutes by Ed Gust, Seconded by Tom Santelli. All in favor.

Correspondence

Vt state wants Select Board OK for continued NEMRC support. Treasurer will be notified at next meeting.

Hectic Electric Bill,and Orkin Pest issue.will be Handled at the next meeting.

Board Vacancies: ZBA needs a member.

Energy: The electricity bill jump might be caused by the vault heater trying to heat the town office.

Tom will look into moving the time clock to the Town Garage.

Road Report

Tom Santelli will talk to 939 West Rd about interference with the West Rd. The road will be used as a detour to keep traffic off the Rupert Rd while the Town puts in the culvert by Ron Peros'. The Grant for this project \$ 40,725 has come thru. Work can start after July1,2015 and must be finished within 2 1/2 years.

The Chloride Tank is on its way. Dust control will commence when it gets here.

High Risk Rural Rd program has chosen West Sandgate Rd from the Bridge to West Rd for participation This will make us eligible for guard rails and signage.

The paving of the Sandgate Rd from SE Corner to the West Sandgate Bridge and the intersection of Tate Hill and Rupert Rd to the top of the notch will cost the Town \$153,172. New culverts will be additional cost. Work should start in June.

Bridge maintenance Blasting of beam new concrete etc is still being priced out. Daniels Construction and Catamount enviromental spoke with Mike last week. Jim Sheldon will look at the Green River Inn bridge for wing wall work estimate. We need the costs to apply for grants.

The estimate for sealing 2014 paving on the West Sandgate Rd is \$4000. Nigh Con is the bidder they do most of the towns around here and the minimum charge is \$4000/day. They will not do half days.

The Rupert Rd slate job by Phil Frosts' is completed Cost \$2200 Ed moved to adjourn at 8:30PM Tom seconded.

respectfully submitted, Suzanne dePeyster
