APRIL 15, 2019 FEMA DAMAGE UPDATE:

Chris Taft (District 1 State) and Josh Carvajal (State Water) will meet with Town to review the damage to the Woodcock Road bridge and determine the cost of replacing the bridge. Date of meeting is still undetermined. Work continues on the SE Corners Rd to fix April 15th damage; trees/stumps have been removed on SE Corners Road (R. Kulmane property). A ditch will be placed on the bank side of the road and gravel will be added over the bank run. The road should be much more user friendly.

ZA GROGAN/TELFORD UPDATE:

Richard Dahm served the court notices to the Grogan/Telford folks. Merrill Bent will check if there are any responses from the property owners. It was noted that cars are being removed from the property.

Zoning Administrator Hal Wilkins will be stepping down from his role as the Town Zoning officer. Suzy will ask Bill Henry, who is serving on the Arlington Zoning Administrator, if he would be interested in filling the position, at least temporarily.

ROAD REPORT:

Mike received a call from Tom Bausher regarding a plugged culvert on Woodcock Road. Mike will take care of it when he is in the area, by the end of August.

TRUCK UPDATE:

Mike will look into the purchase of a new blade for the old 2004 International truck.

Berkshire Bank contacted Town about an inactive school account that was about to be closed. Board signed a note authorizing Sandy Reidy to handle the matter.
