

Sandgate VT Select Board Meeting Minutes - January 3, 2022

ATTENDANCE: Karen Dzialo (via speakerphone), Mike Hill, Joe Nolan, Tom Santelli, Karen Tendrup.
Also present: Citizen, Charlie Pike.

CITIZEN CONCERNS: Charlie Pike complained about the large pot holes and asked when the Road Dept. would get to them. He also asked when the grader would be brought to the Rupert Road. Mike explained that until everything dried out a bit, he will try dumping a load of gravel in the worst pot holes and that not much could be done with the grader until it dries out.

GRANTS/FRAUD WARNING: Karen Dzialo received an email regarding Fraud and FEMA Grants. Some VT towns have been approached by an individual promising to help with obtaining FEMA Grants. Sandgate is fortunate to have Jim Henderson to help with processing grants.

ROAD REPORT: Mike Hill spoke with the town lawyer regarding expenses incurred with the removal of the cars that were in Chunks Brook. The town inquired about putting a lien on the Grogan Property. The Board agreed that pursuing it would not be cost effective.

Mike will submit the Highway mileage form, no changes from last year.
