2020 SELECT BOARD COMMENTS

Suzanne dePeyster, Karen Dzialo, Mike Hill, Tom Santelli, Karen Tendrup

In 2017 the Town received “free” Traffic control signs from the Federal government. However, only the Federal crew can put them in. The Town still waits for the traffic control signs to be installed on West Sandgate Road.

The Town replaced the Belarus Tractor mower with a much faster John Deere 6120E Tractor with boom mower.

New 2-way radios were installed. The Town and road crew are now on the same frequency as Arlington Fire Company and Arlington Schools.

Trout Unlimited addressed the bank slide into the Green River across from the Town Hall with design plans.

Spring Green Up Day saw 3/4 ton of rubbish removed from the Town. Thanks to the Cub Scouts and 4-H kids who picked up the trash from our roadways. Also kudos to Boy Scout Troop 334, Matt Granger’s Resourceful Recycling, and the Nature Conservancy for removing trash from West Road in the fall.

After much paperwork and many meetings, FEMA awarded the Town \$5400 to fix the April 2019 Storm damage to the Woodcock Bridge. \$5400 doesn’t begin to cover the cost of the suggested FEMA fix. The Town got a bid of \$45,725 to repair the storm damage based on FEMA’s plan. The Town has a two year extension to solve the bridge problem and continues to work with FEMA to get the bridge bulwark repaired.

To comply with the Clean Water Act impact, the Town applied for, and received, a grant to identify trouble spots on Class 3 and Class 4 roads. The study is completed and should aid in future grant requests.

The Town reclassified 3 miles of Town Road from the West property on Tate Hill to Pantaleon Drive, PVT from Class 3 to class 4, complying with Vermont Statute Title 19 § 709.

ADF [defibrillator] is installed at the Town Hall. Thanks to Diane O’Brien and Willy Skidmore.

Also thank you to all Sandgaters who’ve given their time to help their neighbors and community during this COVID year.

TOWN CLERK'S COMMENTS FOR 2020

Sandra Reidy, Sandgate Town Clerk

The Town Clerk office is open Monday and Thursday 9:30 to 12:30. The vault is open during all these office hours.

The Town Website is www.sandgatevermont.org. The minutes of Select Board meetings are posted after each meeting and we post them outside the office.

We are in volume 59 in the Sandgate Land Records. All volumes have been microfilmed up to and including volume 55. The Vermont State archives have a copy.

VITAL RECORDS FOR 2020

BIRTHS: Montgomery Bonard Cloud and Matthew Coyote Keary Jr.

MARRIAGES: Jessica Hill to John Grover, Donald Rogers to April Mattsen, Glenn Hynick to Colleen Hunkler, Samantha Lavalley to Nikolaus Trombley

DEATHS: James Mead Gunn (82)

WUERSLIN-STUECKLEN ARTS GRANT COMMITTEE

Jean Eisenhart, Chair; Pat Hall, Dona McAdams, Hasso Wuerslin, Jeanne Zoppel

There were no grants awarded in 2020.

The "Arts" means creative endeavors including, but not limited to, visual arts, performing arts, and literature. The amount of each award will be determined by the Award Committee. It is for one year only. The Award check will be sent, when applicable, directly to the chosen institution or supplier of services. The number and amount of awards will vary depending on available funds.

Application forms are available at the Town Clerk's office or online at sandgatevermont.org. Here is a chance for you or your child to do something in the Arts, compliments of your town.

Respectfully submitted,
Jean Eisenhart

CONSERVATION COMMISSION

Jean Eisenhart, Chair; Jim Henderson, Harry Rich, Phoebe Sheres

As it increases in size, the Green River landslide across from the Town Office continues to raise considerable concern. Efforts have been made on behalf of the landowners to address the issue. The Basin 1 Clean Water Advisory Committee, including representatives of The Bennington County Regional Commission, Bennington County Conservation District, Batten Kill Watershed Alliance, Trout Unlimited, Vermont Department of Environmental Conservation and The Green Mountain National Forest met on site this summer to discuss potential strategies to stabilize the slide and initiate revegetation. Although the size of the slide presents major challenges, there was optimism that the slide could be remediated. We all agreed that a survey establishing the river width, depth, top of bank and other river dynamics was needed as the critical first stage of the project.

In October trained members of Trout Unlimited, Batten Kill Watershed Alliance and Bennington County Conservation District spent three days conducting the surveys which will provide the needed baseline data.

A Design and Implementation Grant Application has been submitted through the Vermont Clean Water Program to develop several design alternatives to breach the berm to allow the river to reclaim its former floodplain.

Fixing the landslide is a multi-stage project which will likely occur over several years. All of the identified partners have agreed to continue to work cooperatively to secure grants and other funds to move this project toward completion.

Meanwhile The Batten Kill Watershed Alliance continues its efforts to restore riparian buffer zones throughout the Batten Kill watershed. Over the past year we have planted several hundred stems of sycamore, maple, oak, poplar, walnut, black cherry, American elm, apple and red dossier dogwoods on seven private properties along the main stem. I am currently trying to recruit property owners along The Green River.

Please contact me at jhenderson@bcrcvt.org or 375-9461 if you are interested in learning more. There is also a detailed version of this report in the online Town Report at sandgatevermont.org.

Sandgate Conservation Commission

AUDITORS' REPORT

Valerie dePeyster, Sheila Kearns, Katie Kenny

We have audited the orders, invoices, checks, and bank statements of the Town of Sandgate for 2020. To the best of our knowledge, the consolidated balance sheet and other financial statements represented in this town report fairly reflect the financial position of the Town as of 12/31/2020. Town auditors do not serve as auditors for the town school district, nor are they responsible for audits of incorporated school districts, union school districts, or supervisory unions.

LISTERS' REPORT

Shelley Finn, Jeanne Zoppel, John Zak

Sandgate's 2020 Grand List contained 346 parcels and seven non-tax parcels totaling \$64,441,380 after exemptions. We are pleased to say that there are no outstanding appeals.

The Listers continue to work on the town-wide reappraisal for the 2021 Grand List.

2020 FOREST FIRE WARDENS' REPORT

Lynn Fielding, Louis Jobson

There were two grass fires and one brush fire this year. Your fire wardens issued 32 burn permits for 2020. If you have any questions about burning or need a permit, please call Lynn Fielding at 802-375-2211 or Louis Jobson at 802-681-6710. You do not need a burn permit when there is snow on the ground around the fire.

2020 ZONING ADMINISTRATOR'S REPORT

Bill Henry

Activities for the past year included the issuance of three zoning permits: two for house remodel/alterations, and one for construction of a new residence. In addition, a permit application for a new residence (and camp demolition) was referred to the Zoning Board of Adjustment (ZBA) and a variance was approved for the house location which did not meet the minimum required stream and property line setbacks. However, the permit was not issued until 2021 pending receipt of a State Water Supply and Wastewater System Permit. Another permit application for a primitive camp was received in 2020 with a variance appeal with the ZBA scheduled in 2021.

The year's work included the support and issuance of four Certificates of Zoning Compliance to attorneys handling property transfers. Other activities included enforcement of violations of the Zoning Bylaws, involving clean-up of properties, use of a camp as a full-time residence and non-permitted construction, along with certain litigation support activities.

Future work will include supporting the Planning Commission to revise the Town Plan, primarily to incorporate a new energy chapter, and to update the Zoning Bylaws to incorporate changes in State regulations and to consider proposed modifications and administrative changes. All such changes to the Town Plan and Zoning Bylaws are subject to discussion at warned public hearings.

ZONING BOARD OF ADJUSTMENT / PLANNING COMMISSION

Sheila Kearns, Chair; Brad Kessler, Joseph Nolan, Caroline Kimball,
Stuart Stevens and Jean Eisenhart, Alternate

The Board expresses its gratitude to Zoning Administration Bill Henry for his hard work and diligence in helping the Board to navigate the matters that came before the Board in 2020. His careful consideration of all requests that have come before him and his thorough communication with the Board is greatly appreciated.

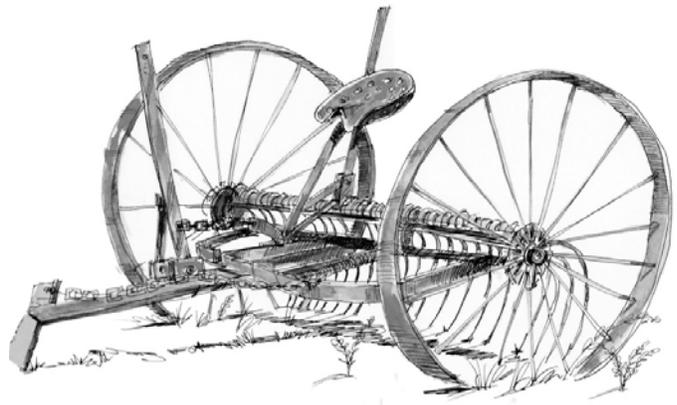

While the Board anticipates the Zoning Administrator's support and guidance in the pending revision of the Town Plan and updating of the Zoning Bylaws, we are also looking for town residents to assist in this process. If you have interest in contributing time to work on adding an Energy chapter to the Town Plan or in updating the Zoning Bylaws to reflect changes in State Laws, the Board would very much welcome your help. The work would involve developing drafts in preparation for public hearings on revisions and changes.

As we review the Bylaws, issues that have come up in the past year, including enforcement of violations of the Zoning Bylaws, clean-up of properties, use of camps as a full-time residence, and non-permitted construction, will be taken into consideration where clarification of the Bylaws may be deemed necessary. If you feel you are able to provide time and energy to these matters, please contact Zoning Administrator Bill Henry by email at sandgateza@gmail.com or by calling Town Hall (375-9075).

The PC/ZBA has continued to meet in person, with limits on in-person attendance according to the State requirements for public gatherings. However, participation at the meeting has been available via video conference and telephone. Agendas of all meetings and scheduled hearings are posted at least 48 hours prior on the Town bulletin board and the Town Website sandgatevermont.org. Online/telephone access information is included with each agenda.

The Board anticipates the appointment of new members to replace Stuart Stevens and Caroline Kimball. Caroline will be residing in Pawlet so will no longer continue on the Board. Her thoughtful contributions to the work of the Board are greatly appreciated and her assistance to the Chair in managing online meetings has been invaluable.

Respectfully submitted,
Sheila Kearns

SANDGATE CEMETERY COMMISSION 2020 ANNUAL REPORT

Kathleen Hill, Julie Robertson, Kathy Wagner

In “the year of COVID-19,” the work of cleaning the Center Hill Cemetery stones continued. Mahar Monuments straightened stones in the older portion of the cemetery and we hope that we can complete the remaining lower section in 2021. Then we can return to the West Sandgate Cemetery and finish the straightening and cleaning of the stones in the upper rear section of that cemetery. We are very thankful to John Mahar and his crew for the excellent results they have provided.

For our mowing/trimming needs, we engaged the services of Cassan Landscaping. Our hope is to have a long and mutually agreeable relationship.

Vehicles in the cemetery during the winter season are not permitted. Not only is the road not maintained, it is not well marked and we would not want any of the burial sites damaged or disrespected.

Cemetery Policy – At present, we ask for a \$400 donation to secure a plot in the one remaining town cemetery that is still open for burials. You are required to be a resident or landowner of the town. Corner markers on the site are also required. One plot can hold up to 4 cremations. Some situations may need to come before the Cemetery Commission for review, however.

Please consider bequeathing property or donations to the Town Cemeteries for continued maintenance and improvements.

As always, we appreciate the support you have given this Commission throughout the years.

2020 ROAD FOREMAN REPORT

Mike Hill

In 2020, work on the Sandgate roads included replacing 900 feet of culverts, 10 miles of ditching, 28 miles of roadside mowing, and putting down 2,500 yards of gravel. Potholes continue to be addressed as well as frost heaves during mud season. The Town purchased a new Ford F-350 truck with sander.

In 2021 the State of Vermont will be installing road signs on the West Sandgate Road.

We received a \$25,000 road erosion grant. We thank Jim Henderson for his help with grant applications.

For road problems, please contact Tom Santelli at 375-9297 or Mike Hill at 375-8358.

At dusk in early spring listen for the "peent" of the woodcock in open areas near woodlands. Stand quietly and watch the bird's amazing flight patterns. This may be the only time of year you will hear and see the woodcock. Normally they are secretive woodland birds that feed on worms and other soil creatures.

DOG LICENSES

Sandy Reidy, Town Clerk

In 2020 there were 62 dogs licensed in the Town of Sandgate. I would like to thank all the people who cooperated with the licensing process.

If your dog has passed away, please contact the office, otherwise we need to see a current Rabies certificate and you need to license your dog.

Please don't forget to license your dogs. Licenses are ready by the first of January each year for your convenience. All dogs must be licensed by April 1st of each year. There are late fees if animals are not licensed by that date.

Lost or found animals should be reported to Erin McDermott (small animals), 375-2201 or Suzanne dePeyster (large animals), 375-6005. You should also call Second Chance Animal Shelter at 375-0249 because they run a hotline for lost or found animals.

SCHEDULE OF DOG LICENSES AND FEES

	Before April 1 st	After April 1 st
Neutered/spayed dogs etc.	\$11.00	\$16.00
Unaltered dogs etc.	\$16.00	\$23.50

NOTE: If you become an owner/keeper of a dog that is over six months old after April 1st, you have 30 days to license that animal. All unlicensed dogs should be reported to the Town Clerk. Sandgate has an Animal Control Ordinance.

A PERSON WHO FAILS TO LICENSE A DOG OR WOLF-HYBRID IN THE REQUIRED MANNER SHALL BE FINED UP TO \$500 (20 V.S.A. § 3550). The Rabies Control Hotline number is 1-800-4-Rabies.

RABIES VACCINATION LAW

All dogs or wolf-hybrids over three months of age shall be vaccinated against rabies. Initial vaccination is valid for 12 months. Within 9-12 months the animal must receive a booster vaccination. All subsequent vaccinations are valid for 36 months. (20 V.S.A. § 3581)

DELINQUENT TAX COLLECTOR'S REPORT

Eleanor LaCross, Collector

Town taxes are due upon receipt of your yearly tax bill. The final date for the treasurer to receive payment for 2020-2021 taxes was October 1st 2020. A mailing date of October 1st does not constitute payment of taxes in a timely fashion and the 8% penalty and 1% interest will be applied to all taxes which do not arrive at town hall **on or before** October 1st of each year. 1% interest on the principal is charged per month or portion of the month that the tax remains unpaid. This is an interest rate of 12% per year.

DELINQUENT TAX COLLECTION POLICY

Town of Sandgate, Vermont

1. All delinquent taxes must be remitted to the Collector of Delinquent Taxes. The Town Treasurer is not authorized to accept any payment toward delinquent taxes.
2. As soon as the Tax Collection Warrant has been received from the Treasurer, the Delinquent Tax Collector will send a notice to each delinquent taxpayer each month for three months. The third letter will contain notice of the possibility of a tax sale.
3. Partial payments may be made on a monthly basis; however, payment arrangements which completely pay the bill before April 1st of the year succeeding the current tax due date will be required.
4. Mortgage and lien holder will be notified of the tax delinquency 30 days after the first notice has been sent if the delinquent taxpayer has not paid the taxes or contracted the Collector to make arrangement for payment.
5. There will be a \$20 fee charged for any returned check or other faulty payment of delinquent taxes.
6. Six months after the due date, the Collector will send notice of impending tax sale to sell as much of the property as is necessary to pay the taxes, costs, and fees associated with such a sale.
7. If no satisfactory payment arrangements have been made in one month or if the arrangements agreed to have not been met, the Collector of Delinquent Taxes will instruct a lawyer to begin the following actions to sell as much of the property on which the tax is due, as is necessary to pay the tax, cost and fees.
 - a) The delinquent taxpayer will be notified of the tax sale decision, that full payment must be received prior to the posted date of the impending tax sale, and that the costs of the tax sale will be borne by the taxpayer.
 - b) All mortgage holders and lien holders will be notified of the tax sale.
 - c) If full payment has not been received by the posted time and date of the tax sale, the tax sale will be held according to the procedure specified in 32V.S.A Section 5252.
 - d) Costs of preparing and conducting the sale, including legal fees up to a maximum of 15% of the amount of the delinquent tax, will be charged to the delinquent taxpayer.
8. In the event that no one purchases the property at tax sale, or if in the judgement of the Delinquent Tax Collector, proceeding with tax sale is unwise, the Collector shall collect the delinquent taxes using any or all the methods permitted by law.
9. Each taxpayer has the right to apply for abatement of property taxes based on any of the grounds listed in 24 V.S.A Section 1535, which may be viewed in the Town Clerk's office.

SANDGATE, VERMONT ANNUAL TOWN MEETING, MARCH 2, 2020

The legal voters of the Town of Sandgate, Vermont met at the Sandgate Town Hall on Monday, March 2, 2020 at 7:00 pm for the purpose of acting on the following articles:

There were 43 people present.

Chris Barlow, Town Moderator, brought the meeting to order at 7:14 pm.

Article 2: To Hear and act on the reports of the Town Officers.

Selectboard comments: Rick Dahm stated he would like more substance in the Selectboard comments. Suzy dePeyster said the Selectboard minutes are posted on the Town website.

Cemetery: Julie Robertson has found someone to mow the cemeteries. A lot of cleanup has taken place. Part of the West Sandgate Cemetery needs work. Dottie Sundquist moved the article.

Jim Gunn seconded.

Article 2 passed.

Article 3: Shall current property taxes be paid to the Town Treasurer on or before Oct. 1, 2021?

Rick Dahm made a motion to accept article 3. Suzy dePeyster seconded.

Article 3 passed.

Article 4: Will the voters appropriate the sum of \$18,807 in support of the organizations listed in the Appropriations section of the General Budget?

Rick Dahm questions why the Arlington Area Childcare and Library amounts increased. Sheila Kearns answers for the Library that staff salaries have increased and the library has not requested more money in years. Betsy Gunn would like more data about the appropriations. Sheila said the Library submits a report every year that is posted on the town website. Jim Henderson made a motion to accept article 4. Dottie Sundquist seconded.

Article 4 passed.

Article 5: Shall the town appropriate \$135,116 to defray the general expenses of the town and, if so voted, authorize the Selectboard to set the tax rate based on the final grand list?

Rick Dahm asks if the town has police patrolling. Suzy dePeyster says that we have not but the money is there if we need them. Margaret Phelps asks about police speed cameras. Suzy states that could be looked in to. Rick Dahm asks we amend Independent audit from \$1,000 to \$3,000. Sheila Kearns states the amount was \$3,000 last year and it was voted down to \$1,000. Pat Hall made a motion to accept article 5. Jeanne Zoppel seconded.

Article 5 passed.

Article 6: Shall the town appropriate \$439,407 to defray the highway expenses of the town and, if so voted, authorize the Selectboard to set the tax rate based on the final grand list?

Margaretta Perro questions if that is enough money to maintain the dirt roads. Mike Hill says it has been enough for the maintenance but to make any extra repairs we will need more money budgeted. Margaretta Perro states that during mud season an ambulance could have a hard time getting to someone on Rupert Road. Jim Henderson says the problem is getting water off the roads. The town crew needs to put a higher crown on the roads for run off. Jean Eisenhart suggested the town budget more money to improve roads. Tom Santelli says it costs \$100,000 per half mile to fix the roads properly. Rick Dahm states that Rupert road has been a problem forever. Pat Hall made a motion to accept article 6. Jim Henderson seconded.

Article 6 passed.

Article 7: To hear and transact such further business as may be lawful and appropriate for the annual meeting.

Phyllis Skidmore states this year is a census year. You can go online to fill in the form. It is important because it will affect state funding. Dottie Sundquist talked about the knot weed eradication. There is a group meeting every second and fourth Monday to chop the knot weed at the turn-around located at the bottom of Southeast Corners Rd. Rick Dahm made a motion to accept article 7. Valerie dePeyster seconded. All in Favor.

Article 7 passed.

Article 8: Shall the Town of Sandgate enter into a communications Union District to be known as the Southern Vermont Communications District, under the provision of 30 V.S.A Chapter 82?

Shelia Kearns mentions that a representative from Sandgate will be appointed to sit on the board. This will be a self-funding organization. Rick Dahm made a motion to accept article 8. Phillip Frost seconded.

Article 8 passed.

Article 9: Shall the line item balance for the Listers' and salaries be carried over to a Lister Expense Fund into the following year?

Jean Eisenhart would like to know why the Lister money should be carried over. Jeanne Zoppel says there is need to stock up on funds to get the current reappraisal finished. Rick Dahm made a motion to accept article 9.

Article 9 passed.

The meeting adjourned at 8:20

Respectfully Submitted,
Sandra Reidy, Sandgate Town Clerk

2021-2022 APPROPRIATIONS

ARLINGTON AREA CHILDCARE

Our mission is to provide children (birth to school age) and their families with a safe, nurturing environment to allow them to meet their full potential. Children will learn through play based, meaningful experiences based on individual development in a consistent continuum across the ages. Happy Days' program will continue to grow through professional development and partnerships with families and community.

ARLINGTON COMMUNITY HOUSE

The Canfield House has served the towns of Arlington, Sandgate and Sunderland as a community resource since 1947. Some of the groups that use the space are Burdett Commons, Girl Scouts, Boy Scouts, Cub Scouts, The Lions Club, Arlington Public Health Nursing Services, Park and Recreation Board, Battenkill Runners, Al Anon, Arlington Garden Club and the Senior Citizens Group.

ARLINGTON COMMUNITY PUBLIC HEALTH NURSING SERVICE, INC.

The foundation's mission is to improve the health of the citizens of Arlington, Sandgate and Sunderland, Vermont through scholarship awards to residents seeking to further their education in nursing or other health related fields, and by providing visiting nursing care services to the community.

ARLINGTON RECREATION PARK

The public is invited to use park facilities, without charge (exception: a \$5 donation for golf is requested), on a non-reserved basis. Park facilities can be reserved for private functions and special events. Applications are available at the park office. Basketball, baseball, canoeing, cookouts, fishing, fitness circuit, 9-hole golf (\$5 fee), nature trail, playground, putting green, soccer, swimming, tennis, tubing, volleyball.

ARLINGTON RESCUE SQUAD

Our coverage area includes the towns of Arlington, Sunderland, Sandgate, Glazenbury and North Shaftsbury. We cover over 50 square miles of terrain, and average around 550 calls per year. Our mission is to be part of the community, and provide the best possible care to the people we serve.

BENNINGTON COUNTY CHILD ADVOCACY (CAC)

Our primary purpose at CAC is to help victims of sexual abuse, regardless of age. We also work with children who are victims of egregious physical abuse. We strive to reduce the stress and trauma that a survivor and their family may be feeling and assist them in getting whatever support they need as they heal. The CAC is available to provide support from disclosure to disposition, and beyond.

BENNINGTON COUNTY CONSERVATION DISTRICT (BCCD)

Through education, advocacy, and implementation we promote the conservation of natural resources and rural livelihoods in Bennington County.

BROC COMMUNITY ACTION

BROC assists low-income Vermonters with basic needs, as well as helping them develop skills and resources for self-sufficiency through employment opportunities. Services include providing crisis fuel and utility assistance, weatherization, economic and workforce development and nutrition education.

BURDETT COMMONS

Serving Arlington, Sunderland, and Sandgate since 1999 as a community gathering place, we offer a mentoring group program for youth participation in healthy activities, including an after school program managed by a Youth Advisory Board. An adult craft series also takes place once a month. We are located in the Arlington Community House.

CENTER FOR RESTORATIVE JUSTICE (CRJ)

The Center for Restorative Justice (CRJ) is a non-profit community justice agency that provides a full continuum of restorative justice programming and services helping both young people and adults take an active role in becoming positive, contributing members of their community. CRJ's program continuum begins with prevention and intervention work in the schools through reentry work helping people returning to the community from incarceration.

ANNUAL MEETING OF SANDGATE TOWN SCHOOL DISTRICT

The legal voters of the Town of Sandgate School District of Sandgate, Vermont, are hereby warned and notified to meet at 10:00 a.m. at the Sandgate Town Hall on Tuesday, May 4, 2021 to transact the following business from the floor:

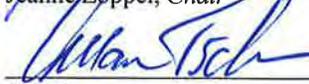

- Article 1 To hear and act on the report of the School District Officers.
- Article 2 To elect one School Board Director for a three year term by Australian ballot May 4, 2021.
- Article 3 Shall the voters of the school district approve the school board to expend \$857,129, which is the amount the school board has determined to be necessary for the ensuing fiscal year? It is estimated that the proposed budget, if approved, will result in education spending of \$15,949.51 per equalized pupil. The projected spending per equalized pupil is 10.06% less than the spending for the current year.
- Article 4 Shall the voters of the Sandgate Town School District authorize the Board of School Directors to allocate its current fund balance without effect upon the District Tax Levy, as follows: assign any remainder as revenue for future budgets.
- Article 5 Shall the voters of Sandgate School District authorize the School Board to borrow money by issuance of notes not in excess of anticipated revenue for the fiscal year July 1, 2021 through June 30, 2022?
- Article 6 To transact any other business proper to be brought before said Town School District Meeting.

Absentee voting is permitted on all matters to be voted by Australian ballot. For purposes of Australian balloting, the polls will be open from 10:00 a.m. until 7:00 p.m. on May 4, 2021

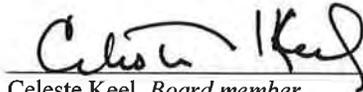

Dated at Sandgate, Vermont 29 day of March 2021.

SANDGATE SCHOOL DISTRICT

Board of Directors Annual Officers Report

Report on 2020-2021 (FY2021)
Jeanne Zoppel (Chair), Allan Tschorn (Clerk), Celeste Keel

The Sandgate School District currently has 54 students attending 9 schools. Pre-K students are enrolled in Fisher Elementary. Elementary schools attended by Sandgate students include: Fisher Elementary, Hiland Hall, Manchester Elementary (MEMS), Maple Street, and Saratoga Independent School. Secondary Schools receiving Sandgate students include Arlington Memorial High School, Burr & Burton, Hiland Hall, Long Trail and Mount Anthony.

Our average daily membership (ADM), this year calculated on student enrollment for a period of 20 days beginning the 11th day of school and ending the 30th day of school, is 65.9. Comparatively, our ADM for last year was 54.13. The equalized pupil is a two-year average of the average daily membership of the school district, and weighs students' needs, such as poverty level, English as a second language, and students at the secondary level to establish an equalized *pupil* figure. Our State calculated equalized pupil this year is 52.5 (compared to last year's 61.03). We are projecting an equalized pupil figure of 53.69 for FY22. This is a factor in calculating our tax rate for next year.

The Sandgate School District pays the prevailing tuition rate to public schools and up to the announced State average to approved private or independent schools. Currently, the State announced average for elementary tuition is \$14,859; the State announced average for 7th through 12th grade is \$16,233. It is important to note the State averages are only among larger union schools and do not average in the higher tuition rates common to smaller non-union schools. The announced tuitions to Arlington schools this year (FY21) is \$13,121 for elementary school and \$18,856 for grades 7 - 12. The announced tuition for FY22 at Arlington is \$12,593 for elementary and \$17,816 for grades 7- 12.

The total budgeted expenditures for FY21 as approved at the annual meeting were \$927,987. The board is anticipating a small budget surplus for the current year. For FY22, the board has proposed a spending budget of \$857,129 reflecting a decrease of \$70,858 from the previous budget. The educational tax rate for the current year is 1.6055. Based upon several factors, including State aid to education and a projected decrease in the Common Level of Appraisal (CLA), the tax rate for FY22 is estimated to be 1.4819.

Article 3 on the Warning is asking the voters to approve an expenditure budget of \$857,129 for the 2021 - 2022 academic year. The article also fully discloses, as required by State law, the spending per equalized pupil to be \$15,949.51 and that this represents a 10.06% decrease in per equalized pupil spending than the spending for the current year.

The Sandgate District has been reassigned to the Southwest Vermont Supervisory Union (SVSU) by the State Board of Education to become effective July1, 2021. Despite requests to the Agency of Education to again postpone this shift due to the challenges to operating districts brought on by the COVID pandemic, as well as the merger of school districts within the SVSU, the Arlington and Sandgate districts now operating under the Battenkill Valley SU will indeed shift to the SVSU. It appears now that current staff in the BVSU will remain in the same or similar roles as assistants to administrators in the SVSU.

To be sure tuition payments are not delayed we ask that parents notify the School District, via the Office of the Superintendent, of tuition requests or changes in the receiving schools as soon as possible. The District uses a verification of residency form for all new tuition requests. Our meetings are always open to the public and are generally scheduled for the second Tuesday of the month at 5:00 PM. Most recently our meetings have been held via zoom conference call. Please let us know if you would be interested in joining one of our virtual meetings and we will be sure the proper links are provided.

Respectfully Submitted,

- Following current statute, the Tax Commissioner recommended a property yield of \$10,763 for every \$100 of homestead tax per \$100 of equalized property value. The Tax Commissioner also recommended an income yield of \$12,825 for a base income percent of 2.0% and a non-residential tax rate of \$1.73. **New and updated data will likely change the proposed property and income yields and perhaps the non-residential rate.**
 - Final figures will be set by the Legislature during the legislative session and approved by the Governor.
 - The base income percentage cap is 2.0%.

SANDGATE TOWN SCHOOL DISTRICT MINUTES

Legal voters of the Town of Sandgate School District of Sandgate, County of Bennington, State of Vermont, are hereby warned and notified to meet at 10:00 a.m. at the Sandgate Town Hall on Tuesday, March 3, 2020 to transact the following business:

Rick Dahm seconded.

Article 4 passed.

Article 5: Shall the voters of the school district approve the school board to expend \$927,787, which is the amount the school board has determined to be necessary for the ensuing fiscal year? It is estimated that the proposed budget, if approved, will result in education spending of \$17,746 per equalized pupil. The projected spending per pupil is 30.26% higher than the spending for the current year.

Margaret Phelps moved the question.

Marge Peff seconded.

Article 5 passed.

Article 6: To transact any other business proper to be brought before said Town School District Meeting.

Betsy Rathburn-Gunn asked when the supervisory unions will merge.

Bill Bazyk states that it seems to be about a year for the complete merge to take place. This has been worked on since 2008.

Jeanne Zoppel moved the question.

Margaret Phelps seconded.

Article 6 passed

Rick Dahm made a motion to adjourn the meeting.

Philip Frost seconded.

The meeting was adjourned at 10:48 AM

Respectfully submitted,
Sandra Reidy, Town clerk

SE Corners Habitat Restoration Area - Sandgate, Vermont

By Dottie Sundquist, UVM EMG '09 - Bennington Chapter Chair

February 2020

Armed with knowledge and the backing of experts in the field, a small group of friends and neighbors from Sandgate, Vermont, gathered on the second and fourth Monday of the month from June-September 2019, to cut and manage the invasive plant, Japanese Knotweed. We chose a site located at the dry hydrant pull-off on the heavily travelled main road leading into Sandgate for optimum curiosity/awareness impact. The results were immediate! The wall of Knotweed was brought to its knees in short order revealing a peaceful river offering a shallow summer dip on a hot humid day.

What was not predicted were the hunches and questions floating around town about the big black plastic mound lying at the side of the paved pull-off. At a *Forest Hero workshop sponsored by VT Invasives, I learned that the best way to kill and dispose of the unforgiving plant is to cut, bundle and bake. I located a 10x25' roll of heavy duty black plastic at a local hardware store and we made a "burrito bag". We cut and placed stalks of Knotweed in a large pile placed in the center and toward one end of the unfurled roll. Excess plastic was folded over the pile and secured with stones. Every two weeks, with few exceptions, we returned to cut, bundle and bake the short stalks that were just beginning to leaf out.

Therein lies the genius!

First: Allow the energy stored in the plant's roots to travel up the stalk and begin producing leaves.

Second: Activate a photosynthesis intervention by cutting the leaves before they have a chance to fully open and gather light energy.

Continue cutting about every 2 weeks until the energy storehouse is depleted and the plant succumbs. How long will it take? Up to five years! Two years down. Three to go!

(Note: Covid-19 compromised the 2020 cutting plan but we still appear to have made an impact)

NOTE! Timing is everything! Remember! Japanese Knotweed is a master of storing energy. Simply cutting stalks before leaves are forming does not deplete the energy source. Leaves forming is evidence that energy is being released. Open leaves is evidence that energy is being replaced. I repeat: cut the leaves before they have a chance to fully open!

NOTE: Not all invasive species plants are created equal and not all plants are maintained or eradicated the same way. Go to www.vtinvasives.org to learn how to identify and deal with these unwelcome plants. Learn about the effects these plants have on our native plants and animals and why your awareness is paramount in protecting and preserving Vermont's natural landscapes. Wonderful resources are at your fingertips.

Additional notes:

Japanese Knotweed grows with complete abandon sending underground roots up to forty feet from the center of the mother plant. Colonies sprout ad infinitum. Control begins by walking a forty foot perimeter from the center of the growth. Repeat until you see no more. Once a perimeter is formed, begin removal of the plant from the outside and move toward the center.

Attacking from the outside of the infestation where the plants are smaller and fewer seems less rewarding. Everyone tends to want to get the biggest bang for the buck and chop down the tallest, densest area first. A change of mindset is needed to win over Japanese Knotweed. The roots are akin to a wildfire spreading invisibly underground fooling the blind eye. One MUST stop the invisible roots from spreading out from the central plant by attacking an infestation from the outside perimeter. You may not be able to kill it all but you will be able to create preservation pockets and prevent further advancement.

2021 Updated Note: Research is being done on another way to control Japanese Knotweed to acclaim. Cover the affected area with heavy black (ice and water shield) paper used in roofing. I suspect this is being used for the 'mother' plants at the center of the infestation. One would still need to manage the errant runners secretly passing under your feet and popping up at will forty feet away. Cut those!

FIRE WARNING

A permit is required from the Fire Warden for any outdoor burning except when there is snow on the ground at the scene of the fire.

For brush and forest fires burning out of control or threatening buildings, call 911.

For a permit call Lynn Fielding at 375-2211 or Louis Jobson at 802-681-6710.

ALL PUBLIC MEETINGS REQUIRE MINUTES

The open meeting law requires minutes to be kept of all public meetings (1 V.S.A. § 312). The purpose of this rule is to make it easy for the public to know, within five days of the meeting, who was present, what was discussed, and what was decided at the meeting. Minutes do not have to be taken of executive sessions, although the vote to go into executive session, including mentions of the subjects to be discussed should be reflected in the minutes of the meeting (1 V.S.A. § 313). No minutes need to be taken of deliberative sessions of a board since this meeting is not a public meeting under law (1 V.S.A. § 310).
